

## To My Fellow Colorado Republicans,

I am proudly casting my vote for **Lori Saine** as the next **Chairman of the Colorado Republican Party**, and I strongly encourage you to do the same.

I've had the honor of knowing Lori since 2013, and in that time, I've seen her prove—over and over again—that she is exactly the kind of bold, principled, and fearless leader our party needs.

Lori Saine is a **grassroots conservative** through and through. She's proudly **MAGA**, unapologetically **pro-Trump**, and a **seasoned leader** who doesn't just talk the talk—she walks the walk. Here's why I trust her to lead our Party:

1. **Lori is forthright, honest, and decisive.** She doesn't play political games—she leads with conviction and strength.
2. **She is transparent and inclusive,** making sure every voice is heard without compromising core conservative principles.
3. **Lori is a fighter.** When the pressure is on, she doesn't back down—she doubles down on her values.
4. **She listens.** In every role she's held, Lori has taken the time to hear from her constituents, her colleagues, and the grassroots.
5. **Her record proves it.** As a State Representative for 8 years, Lori earned a "CUT Champion" title from the Colorado Union of Taxpayers in 5 of those years, scoring 100% three times and never dipping below 75%. That is a record of **consistent, principled, conservative voting.**
6. **She believes in fiscal responsibility and limited government**—not just in words, but in action. She's a proven **fundraiser** and has demonstrated **financial discipline** at every level of leadership.
7. **As a Weld County Commissioner,** she remained steadfast and unshakable in her conservative values, even when under fire from fellow commissioners. She kept her promises to the voters—every single time.
8. **She's on the right side of the fight to close our primaries** and will follow through on the existing lawsuit to ensure Republicans—not Democrats or unaffiliateds—choose our Republican nominees.
9. **Lori has excellent judgment** and surrounds herself with competent, experienced, and mission-driven people. She knows how to build a team that wins.

Lori Saine has the backbone, the belief system, and the battle-tested experience we need right now. She will lead with integrity and boldness, and I promise you—**she will make you proud.**

Please join me in voting for **Lori Saine as Colorado GOP Chairman.**

Sincerely,

***Marty Neilson***
